

## **2024 North Carolina Thoracic Society**

### **Fall Specialty Conference**

### **LUNG TRANSPLANTATION**

**Friday November 8, 2024 5:30 pm – 8:30 pm**

**Saturday November 9, 2024 8:00 am – 2:00 pm**

**Washington Duke Inn, Durham, NC**

This is the fourth specialty educational conference by the North Carolina Thoracic Society. It is a collaboration with the Duke University and UNC Chapel Hill Lung Transplant Programs to provide an update on key aspects of lung transplant applicable to academic and community practitioners. We provide high quality educational programs that benefit lung health professionals, their patients, research and public health efforts. Importantly, we serve as a society that provides a mechanism for lung health professionals to meet, learn, and collaborate with their peers in North Carolina. We are seeking to build the North Carolina pulmonary and respiratory community.

#### **TARGET AUDIENCE**

Healthcare providers including physicians (pulmonologists, thoracic surgeons), mid-level practitioners (NP, PA), nurses, pharmacists, respiratory therapists, population health and public health practitioners.

**ATTENDEES DO NOT HAVE TO BE MEMBERS OF NCTS**

## ATTENDANCE OPTIONS

In-person and virtual

## REGISTRATION AND FEES

\$50 for all healthcare providers

Eventbrite Registration link

<https://www.eventbrite.com/e/north-carolina-thoracic-societys-conference-on-lung-transplantation-tickets-927242847317>
